

Celebration's Best Kept Secret

The town of Celebration is blessed with some fine dining establishments in the downtown area and eateries galore on nearby Highway 192. Truth be told, the residents and folks who work in the area know where they prefer to enjoy an excellent experience with a minimum of damage to their wallet. Let's think for a moment. Where would I eat if I were in Celebration? Let's see. Great food! Great service! And a staff that cares! I don't think you have to be Ken Jennings from Jeopardy to know the answer. What is, The Windmill Tavern at Celebration Golf Club? This hidden secret is not a secret to the local townspeople at all.

The foodservice staff has the same consideration for their customers as the golf course staff and wants the dining experience to be just as enjoyable. And it is! Their breakfast menu is all encompassing from light fare that you can take with you to the hearty 'JonesBoy Omelet' for the duffer appetite, all topped off with freshly brewed Starbucks coffee. The lunch menu has a wide selection of choices from "The Greens", "The Starters," to their "Signature" sandwiches. Just to name a few, the Tavern Apple Salad or their massive 10oz. homemade burger,

complete with a 4 inch golf tee. Not to mention their Signature Paninis and soon to come, homemade pizzas. All would go great with a Sierra Nevada Pale Ale! The comfortable and airy ambiance of the Tavern Room welcomes its patrons and makes you feel like relaxing and enjoying a libation or two with your playing partners. The adjacent Jones Room is more intimate and cozy and seats about 40, perfect for small meetings or the local bridge game.

An added bonus to The Windmill Tavern Restaurant is it can be used for medium size banquets, corporate meetings and weddings. The two rooms combine to hold about 200 guests and the outside Tavern Green can be utilized for a ceremony or a cocktail party prior to a formal dinner. Food and beverage accommodate any menu selection from specialty hors d'oeuvres to a six-course gourmet feast. As the sun sets the Tavern fills with warm evening glows and creates the perfect ambiance to spend time with friends and family enjoying that special celebration at Celebration. The Kissimmee/Osceola Chamber of Commerce named Celebration Golf Club the 2004 "Business of the Year." If you have not dined or played there you need to try it out for yourself. The Club was given 4 1/2 stars by Golf Digest as one of the best places to play

in 2004-2005. Call 407-566-1048 or visit www.celebrationgolf.com to learn more.
